

SPECIAL CATEGORIES OF PARTY CADRE

Special categories have been created within the party cadre, and members of these categories will be given targeted responsibilities by the Party High Command.

These are as under:

1. Pensioners from various Central & State Govt. Departments, PSUs/PSBs & Private Sector establishments.
2. Indian citizens who demonstrated merit by clearing the Preliminary or Mains stages of officer cadre civil services exams conducted by UPSC and State PSCs, yet were unable to secure final selection due to not clearing the Interview stage.
3. Retired Agniveer Soldiers of the Indian Military.
4. Ex-service men of the Indian Military.
5. IT professionals of Indian IT industry.

The party high command envisions that these specially trained and talented cadres, with their unique exposure and expertise, will play a pivotal role in strengthening both the party and the democratic framework of India's political establishment. They are expected to educate citizens on the foundational principles of nationhood, democracy, and the purpose of the political system as a whole.

Through their efforts, we aim to collectively build India into a truly civilized, strong, dignified, sovereign, and prosperous nation. Their contribution will also be instrumental in propelling India toward achieving the status of a global superpower in a meaningful and timely manner.

Furthermore, members of these elite cadres will bear the significant responsibility of mentoring other party workers. Their leadership will help transform the Service Class Party into a structured, cadre-based organization over time.
